

The Lynn Tait Most Promising Young Designer or Artist Award 2024

This special award category recognises and rewards the wealth of young creative talent that we have in the UK. This award is open to all designers and artists (employed by a publisher or freelance) aged 35 years or under on 1 July 2024.

The Lynn Tait Most Promising Young Designer or Artist Award 2024 will be judged live by a panel of esteemed retail buyers. As this special award category needs to be appreciated ‘in the flesh’ creatives are invited to submit ‘boards’ showcasing their artistic prowess. There is no online submission for this category.

**The absolute deadline for entries for this category alone is
Thursday 25 July 2024.**

**Entries should be sent to Jakki Brown, Max Publishing, The
Henries, United House, North Road, London N7 9DP.**

Each entry should demonstrate the entrant’s design talents (both generally as well as on the greeting card front) as well as give an insight into their inspirations that serve to set them apart. The ‘boards’ can be any size (A1 is popular) and should include information about the entrant as well as a photograph of themselves if they so wish.

And do not forget to include your contact details!
